

# Lesson 6: Debugging

I can test and improve my programs

I can test and improve my programs

```
when green flag clicked
say Welcome to Castle view school until done
wait .5 secs
ask What's your name? and wait
if current hour < 12 then
say join Good morning answer until done
if current hour > 12 then
say join Good afternoon answer until done
say How can I help you today? until done
ask Press 1 for the school office. Press 2 for the head teacher. Press 3 for the caretaker. Press 4 for the computer technician and wait
say Thankyou for your answer until done
say answer until done
```

This program should use the callers name here. But it doesn't. Can you find a fix for the bug?

### Activity 1

Can you test and debug the code you have written for Ohbot?

### Activity 2

Can you add any new instructions to any of your programs to improve them?

## Evaluation

I have been learning to...

Three things I can do now are...

Three things I enjoyed about programming Ohbot are...

To improve my programming I am going to work on...
